

# IT IS TIME TO SIGN UP YOUR COLLEGE STUDENT FOR THE SUMC CHURCH MOUSE PROGRAM

The Church Mouse Program is a way to keep college students connected to SUMC. Parents of college students can sign up their student to receive mail from a Church Mouse (a SUMC Volunteer). The Church Mouse commits to corresponding to an assigned student on a regular basis for school year. The Church Mouse can also send a card at Christmas, a "care package" at finals time or on the student's birthday, etc. The Church Mouse is asked not to reveal their identity until the end of the year.
