

# Men's Bible Study

Our Wednesday morning Men's Bible Study has room for more participants. No prerequisites and no sign up required - just an open, willing heart and mind to learn.

This class began three years ago with an emphasis on a Men's Bible Study that could accommodate both retired men and those still working. As such, class begins at 6:45 a.m. and ends promptly at 7:30 a.m. We meet in Classroom 31 under the Sanctuary. Park in the lower parking lot off West Shore Drive; that lower entrance will be open.

Last year our study was the book of Acts. Our follow up this year is about the Apostle Paul's missionary journeys – beginning with the book of Galatians – let by Jim Craig and John Gott.

So, set your alarm clocks and join us for early coffee, fellowship, and study.
